

Johnnie Walker The Casks Edition

55.8%

You don't mess with the Johnnie Walker brand name casually, so we expect greatness, and boy, do we get it here. This has a dusty, smoky nose with dried apricot and grape, and the whisky is gossamer-soft on the palate, with sweet pear and honey evolving on top of an oaky rich heart before a tidal wave of pepper and peat, and a delightful spice smoke and oak conclusion. Magnificent.
