

**High West American  
Prairie Reserve Blend  
of Straight Bourbons  
(Batch #1)**

**46%**

A blend of two different bourbons—one 6 years old, the other 10 years old—with different mashbills. Nicely balanced sweet notes (caramel, butterscotch), fruit (orange, sultana, cherry) and gentle spice (vanilla, cinnamon). Nothing fancy or exotic here; just a solid, versatile, well-rounded bourbon. (Available at the High West General Store.)
