

Old Forester Birthday Bourbon (bottled 2012)

48.5%

Honeyed citrus, vanilla, and hints of toasted coconut on the nose.

Similar follow-through on the palate—sweeter up front and then becoming dry with firm spice and toasted nuts. Long, resinous, warm spice finish. I'd like a little less dried spice on the finish—or more sweetness to balance it.

Otherwise, a nice bourbon.

—Vol. 21, #4
