

Kornog Sant Erwan

2012

50%

Bearing the easiest name of all the Kornogs to pronounce, this is also the least challenging and complex.

It is, pretty much, a straightforward peated whisky with more citrus fruits than the others, some apple and pear in the mix, and some chilled spices. The finish is long, smoky, and spicy. Benefits massively from a little water. €86

—Vol. 21, #4
