

**Springbank Calvados**  
**Wood 12 year old**  
**52.7%**

This expression from the Campbeltown distillery of Springbank was distilled in April 2000, matured for six years in refill bourbon barrels, and then for another six years in Calvados casks. The outturn was 9,420 bottles. Toffee apples dipped in soft spices on the nose, with a follow through of vanilla. Quite viscous on the palate, with white wine, red peppers, and cinnamon, along with a tang of peat. Lime marmalade and a touch more peat in the relatively dry finish.
