

Balblair 1997

46%

Following the initial release of a 1997 vintage Balblair in 2007, a second edition has now been launched, with the spirit in question having benefited from an additional five years' maturation in first-fill bourbon barrels. Fresh, light, and fruity on the nose: tinned peaches, pear drops, sweet apples, plus vanilla and wood putty. The palate features lots of succulent soft fruits, milk chocolate, honey, and spice. The finish is medium in length, and spicy chocolate notes persist. £55
