

Glengoyne 18 year old

43%

This variant of Glengoyne replaces the popular 17 year old as part of an overhaul of the core range, and the maturation regime has included what the distillers describe as “a generous proportion of first-fill sherry casks.” Milk chocolate, vanilla, melon, and grapefruit on the nose, with burgeoning dry sherry and fruitcake. The palate is rich and well rounded, with cinnamon and ginger, almonds, orange marmalade, sweeter sherry, and caramel. Lingering spices and easy-going oak in the lengthy finish. £70

—Vol. 22, #1
