at Blair Athol) Autumn  
Berries**

**46%**

Distilled in 1986, this single cask from Blair Athol distillery in Perthshire yielded 268 bottles, and the nose offers sweet fruits, principally apple and orange, plus walnuts, vanilla, and brittle toffee. Becoming softer and creamier with time. Dark fruit notes on the palate, notably blackcurrants and cranberries, with caramel and cinnamon. The finish is quite viscous, with a little oak, freshly-squeezed lemons, and licorice twists. £85
