

Glengoyne 15 year old 
43%

Glengoyne's core range has been revamped: the 12 year old cask strength bottling was replaced by one with no age statement, and this 15 year old was added.

Maturation has taken place in sherry casks and the result is a nose of vanilla, ginger, toffee, vintage cars' leather seats, and sweet fruit notes. The somewhat oily palate features quite lively spices, raisins, hazelnuts, and oak. The finish is medium in length and spicy to the end, with cocoa powder. £48

—Vol. 22, #1
