

Johnnie Walker The Spice Road

40%

Somebody at Diageo has been taking a lot of interest in the Johnnie Walker range of late, what with the revamp of the core range and now a regular stream of special releases. This is the first of a series for Travel Retail only, but it takes the Johnnie Walker themes — vanilla, spice, and honey, with wispy peat and smoke — and adds savory spice to the earthiness. But there are some very young notes in this.
