

**Alibi**  
**45%**

Alibi is a new blended whiskey:  
27.5% 3 year old straight  
whiskeys, 72.5% GNS. A new  
American blended whiskey? Give it  
a whiff: hot caramel, a bit of fruit,  
and store-brand vanilla. It's hot in  
the mouth, sweet with more  
caramel and vanilla, fringed with  
cinnamon and oak. Not bad, but  
it's squeezed at its \$24 price by  
perfectly good straight bourbons.
