

Ceran St. Vrain's Taos 
Lightning Rye

45%

Another MGP/LDI-sourced rye, which KGB Spirits then ages additionally at their Alcalde, New Mexico site; it's tagged as a 15 year old whiskey. An oaky, sweet nose with hot cereal notes. The tongue impact is breathtaking: a hot, thick slam of spice, mint, and wood that cools to a long, sweet mint finish. A bit of water tames it a bit and brings out more oaky notes and more sweetness.

Powerful stuff.
