

**Gibson's Finest Rare 18 year old**

**40%**

A quintessential Canadian whisky that holds fresh-cut lumber, hot white pepper, and creamy oak caramels in delicate balance. Long years in oak have delivered a range of complex flavors that evolve slowly in the glass and on the tongue. Sweet vanilla contrasts with dusty rye, while a drop of pickle juice slowly matures into poached pears with cloves. Dry grain ripens into fresh-baked biscuits before it all fades away in clean oak and citrus pith. C\$75
