

Century Reserve Lot

15/25

40%

Sweet citrus fruits, floral overtones, and assertive peppery spices interlace a generous framework of silky oak tannins. Charred oak and pencil shavings hint at new oak, while the frosty crispness of dry autumn leaves confirms that at least some of this whisky has spent decades in reused barrels. Touches of almond skins and peach pits cleanse the late palate. Otherwise regal and elegant, this whisky is just a touch woody. C\$30
