

Wiser's Small Batch

43.4%

With Small Batch, Wiser's offers a taste of the quality of its more expensive Legacy to those with a limited whisky budget. This is big whisky at a very affordable price. Cinnamon, cloves, and candied ginger temper glowing hot pepper, while oak caramels and vanilla bolster sweet dark fruit. The earthiness of rye intersects with the fragrance of river plants and wet slate. Red cedar and fresh sawdust round out a clean, expressive palate. Lots of weight.
