

**Buffalo Trace
Experimental Collection
Chardonnay Aged
Bourbon**

14 year old, 45%

Aged in French oak chardonnay barrels for eight years after six years in new charred oak. Notes of vanilla, crème brûlée, butterscotch, toasted coconut, bright fruit, and polished oak. Clean, gently sweet finish. The chardonnay oak aging adds a new dimension without dominating. A distinctive, stylish whisky with excellent balance.

—Vol. 16, #3
