

**Old Hobart Overeem
Port Cask Mated**

43%

If Tasmania is defining a distinctive whisky style, this is it. If you buy into the big red fruit and berry, full-frontal Aussie assault, accompanied by a rural earthiness, then this may be too ordered for you. But for most whisky drinkers exploring new territories the rounded red berry and orange fruits, and the full, rich, sweet center make it a perfect entry-level whisky to ease you in. A\$130
