

Millstone Sherry Cask 12 year old

46%

Millstone is made by Zuidam, a Dutch spirits and liquor company that prides itself on never cutting corners and in using the very finest ingredients. There are hundreds of European distilleries making spirit, but few this good. Its malt and rye whiskies have always been special, but this is Premier League, a world class sherried 12 year old that matches many sherried Scotch whiskies flavor to flavor. That's a first for Europe. €60
