

White Owl Spiced Whisky

40%

A subtle essence of vanilla and restrained crispy oak are lathered in rich butterscotch, then seasoned with scorching pepper and a pinch of rye spices. Surprisingly, it's not overly sweet. Smooth creamy custard coats your mouth, mellowing otherwise assertive spices. The dram finishes in pulling citrus pith with touches of peppery heat, tingling ginger and cloves, and fading hints of ripe cherries. Faint but distinct whiffs of barrels remind us that this colorless liquid is whisky. (Alberta only) C\$40
