

Highland Park Einar 
40%

Einar was joint Earl of Orkney from 1014, and this bottling moves the Warrior Series slightly further into familiar Highland Park territory. Some gentle smoke on the nose, with fresh newsprint, ginger, caramel, and a hint of halibut oil. Peat smoke, vanilla, and citrus fruit on the palate. A little peat smoke in the medium-length finish. €53/liter

—Vol. 22, #2
