

**Gordon & MacPhail  
Rare Old (distilled at  
Glenugie) 1970**

**46%**

Elgin distiller, bottler, and whisky merchant Gordon & MacPhail has revamped its prestigious Rare Old range of veteran single malts, many from lost distilleries, and this bottling from Glenugie in Peterhead is one of the latest releases in the lineup. Sweet on the nose, with marshmallows, wax polish, creamy caramel, and milk chocolate. Quite full-bodied, with white pepper, ginger, muted citrus fruit, and cocoa. Soon starts to dry...drying steadily through the nutty finish, with musty oak and aniseed. £430
