Director's Cut (distilled
at Teaninich) 1982
47.8%

This 30 year old bottling from Teaninich was distilled in December 1982 and matured in a refill butt. Just 201 bottles have been released from cask #9323.

The nose is characterized by lemon curd, flat Coca-Cola, and spicy malt. The palate is smooth, sweet and fruity, with vanilla and stem ginger. Autumn berries and more ginger figure in the lengthy, slightly charred finish. £195
