

Angel's Envy Rye

50%

The folks at Angel's Envy once again push the envelope with this 95% rye whiskey finished in Caribbean rum casks. Vibrant, spicy rye notes (cinnamon and mint) are tamed by rich maple syrup, graham cracker crust, nutty toffee, candy floss, subtle tropical fruit, and creamy vanilla. Warm, spicy, rummy finish. This is a mood whiskey—not one I would drink every day—but the flavors marry nicely and the sweetness tames this high-testosterone rye whiskey. Bonus points for uniqueness. *Editor's Choice*
