

Westward Oregon Straight Malt Whiskey

45%

All-malt, double pot-distilled, aged 2 years in new, charred, 53 gallon oak barrels. Nose has cereal and muted apple notes, some light grassiness, youthful. Exciting on the palate: hard candy, vanilla, oaky spice, hints of maple; it's a jubilation that doesn't end, but doesn't get tiresome like some sugar-high toddler either. Finish is just more of the same, which is okay, but mildly disappointing. Well done, but quite pricey. Price is per 375ml.

—Vol. 22, #2
