

Schenley Golden Wedding

40%

Prior to Prohibition, Golden Wedding was a fine American whiskey. Decades later, entrepreneur Louis Rosenstiel successfully revived the brand in Canada. The result shows hints of burnt toffee, dusty rye, dry grain, and pickle juice. Earthy elements underscore river plants and citrus pith. Hot, peppery spices bolster lively spirits while jammy fruit and floral overtones round out a straight-on mixer. A whisky that transforms ginger ale into ginger ale. (Canada only)C\$24
