

Canadian Five Star

40%

A tad thin for sipping, Five Star is a quintessential mixing whisky, laden with dusty rye and citrus pith; it begs for ginger ale. First, though, sip it neat, and feel it blossom in your mouth; it brims with spirit, caramel, and blistering pepper. Behind these linger orange zest, herbaceous tones, creamy corn, and refreshing bitterness. Tingling rye spices that play off the pepper perk up its sweet fruitiness. Now mix it, and delight in its straightforward simplicity. (Canada only) C\$22
