

Santis Malt Edition
Germany

48%

This is whisky made in a European style; don't expect scotch. Reset your taste buds, free your mind. This is 6 years old and spent five and a half of them in a beer barrel—the whisky is made from an award winning beer—and six months in a Merlot wine cask. It's fabulous. Honeycomb, creamy toffee caramel, European sappiness. It's slightly flabby, like an overfed but much-loved puppy.
