

**Glen Grant Five
Decades**

46%

Created by Dennis Malcolm to celebrate his half century at Glen Grant, this uses casks from each of his five decades. Pale it may be, but this is no dainty little thing. There's lots of buttery oak before classic Glen Grant lift and energy emerge: green apple, fruit blossom, William pear, and yellow fruits; lemon butter icing and nettles with water. The palate is vibrant and energetic, but holds to the middle of the tongue. A suitably celebratory dram.

Congratulations! **£115**
