**40%**

Full-bodied and sweet on the nose, mixing burlap, bran, fruit cake, hazelnut purée, malt extract; with water it becomes fresher and almond-like with a touch of greengage plum. The palate has a soft feel, with the thickness displayed in the nose alongside plums and crystallized ginger. It's just a little flabby. I'd like a bit more freshness or grip. The finish is nutty and rich. (*Travel Retail exclusive*) £51/1 liter
