

That Boutique-y Springbank Batch 2

53.10%

That Boutique-y Whisky Company is an independent bottler noted for quirky and very contemporary label design. The whiskies carry no age statements. Springbank Batch 2 has an outturn of 450 numbered bottles. Initially, overripe pineapples and dry hay on the oily nose, cut by a sprinkling of salt.

Brittle toffee, and finally, hand-rolling tobacco. The palate is very fruity; more pineapple, plus peach, developing peat, plenty of spice, and more tobacco. The finish is relatively long and slightly herbal.
