

**Wemyss Malts  
Heathery Smoke  
(distilled at Caol Ila) 30  
year old  
46%**

Sweet oak and cod liver oil are what greet you, with fleshy, lychee-like fruits behind. The smoke here is very polite, giving way to fruit jelly cubes and peaches, to develop alongside crisp apple. The palate is clean with nutty oak, with the smoke continuing in the background, offering an extra layer of complexity. Fresh, belying its age, while it has typical tongue-coating oiliness it remains understated. Caol Ila basking in the summer sun. *(U.S. only)*

—Vol. 22, #3
