

Arran Malt 16 year old
46%
As it progresses toward the
ultimate goal of an 18 year old
expression in 2015, Arran has
released a 16 year old, matured in 30 percent sherry hogsheads and 70 percent bourbon casks. The

edition is limited to 9,000 bottles. The nose features malt, milk chocolate, and honey, with a citric edge. The palate mirrors the nose with more malt, honey, and milk chocolate, plus ginger, nutmeg, and spicy oak. Spiced fruits in the lengthy finish.
