

Tomatin Legacy

43%

Tomatin Legacy has been matured in a combination of bourbon and virgin oak casks, and after an initial release in Europe, worldwide availability will follow. Honey and malt on the nose, melons; fragrant and mildly herbal. White pepper and ultimately a whiff of treacle.

Fresh and lively on the sweet, fruity palate, with tinned pineapple, cake mix, and more pepper. Quite dry in the medium length finish, with a suggestion of chili. £26
