

Inchmurrin 18 year old 
46%

Inchmurrin has enjoyed a higher profile since early 2013, when the range was extended to include 15, 18, and 21 year old expressions. The lineup also boasts striking new packaging and is bottled non-chill filtered. Orange fondant cream and peaches on the nose, with caramel in the background. Fuller-bodied than the 15 year old expression, with pineapple cheesecake and ginger on the palate. The finish is quite long, and spicier and more peppery than that of the 15 year old bottling (also reviewed this issue). £70

—Vol. 22, #3
