

Inchmurrin 15 year old 

46%

Inchmurrin is one of many single malts produced by Loch Lomond.

It is made using lightly peated malt and matured in bourbon casks, and is named after one of the islands in Loch Lomond.

Caramac chocolate and peanut butter on the sweet, fruity nose. The fruit motif continues on to the palate, where spicy malt, vanilla, and ripe peaches predominate. The finish is medium in length and nutty. £50
