

Shieldaig 12 year old

40%

This is a sharp dresser, with a firm, solid mouthfeel and an altogether finer and more focused taste than Shieldaig Classic (see below). It's not coastal or earthy particularly, either. Instead the flavors are softer and built around mocha, smooth creamy toffee, and some soft fruit, including a touch of overripe banana and melon notes. The savoriness this time comes from a touch of pepper rather than salt.
