

**James Brookes Blended  
Whisky**

**40%**

This is like listening to a quiet and understated musician and slowly starting to realize that there are all sorts of clever nuances just beneath the surface. This evolves from a floral and welcoming nose, through a saline note and on to pepper and a Highland earthiness, but wrapped up in a rich, honeyed body. A nice balance between the ruggedness and sweet softness. All rather pleasant.

—Vol. 22, #3
