

Jim Beam Distiller's Masterpiece Sherry Cask Finished

50%

"Extra-aged" bourbon finished in *Pedro Ximénez* sherry casks. The third Distiller's Masterpiece release, the previous two being over a decade ago. The PX sherry is certainly evident, with its lush, dark fruit (raisin, prune, ripe plum), marmalade, and layered dark sugars (toffee, molasses, maple syrup). A peppering of spices (cinnamon, allspice, vanilla) and dry, resinous oak round out the palate. Certainly a mood whiskey. Perhaps with a cigar after dinner? (*distillery only*)
