

## Two Stars

43%

Simple nose of sweet cornbread and oaky caramel; nothing fancy, but nothing wrong. The nose is no liar; same tastes in the mouth, just a bit hotter on the oak. Good finish with a nice oaky linger. The letdown is the thin body, which adds to the heat and steals from the experience. Seems more like a good shot bourbon or an "...and ginger ale" bourbon, not a sipping bourbon. Sourced whiskey.
