

Stalk & Barrel Cask 2

61.3%

What a difference a cask can make. This first-fill bourbon barrel has more robust flavors but noticeably less color than its antecedent, Cask 1. Linseed oil, raw canvas, and freshly dug blue clay form a rich, earthy base for flourishes of clean spirit, dry straw, and Chinese plum sauce. Hot pepper and pulling dry wood yield to cherry blossoms, maraschino, and sautéed mushrooms. A splash of water unveils milk chocolate, rye crisps, and creamy custard.
