	Reserve	
	43%	
	The youngest of the Manse Brae	
	triumvirate, and also the freshest. Here is Rothes at its liveliest, with	
	sweet cereal and the typical	
	spiciness of the distillery undercut	
	by citrus peels, dessert apples,	
	and hot malted milk. On the	
	tongue it is quite delicate, but it is	
	how it behaves mid-palate which is	
	the killer, just stopping and allowing the fruits to liguefy in the	
	center of the tongue. Fantastic	
	price as well. (Travel Retail	
	exclusive.) €40
