

Talisker Dark Storm

45.8%

Described as the smokiest whisky produced at Talisker, Dark Storm is exclusive to Travel Retail outlets, and maturation has taken place in deeply charred casks. Rich, fruity spices on the nose, quite citric, with brine and aromatic smoke. The smoke elbows its way to the fore in time. Full, sweet, fruity flavors on the palate, some vanilla, then smoke, licorice, and spice hit home. A classic Talisker smoke and chili finish, but cranked up a notch or two! £45/1 liter
