

## Highland Park Ragnvald

**44.6%**

Pear drops, green apples, lots of toffee, and more spice on the nose than in the Sigurd expression; also fresher and fruitier. Voluptuous mouthfeel, with sherry, toffee, vanilla, nutmeg, and a wisp of fragrant smoke. Toffee remains in the finish, with notes of cocoa powder, smoky oak, and citrus spice. Very well balanced. (*Travel Retail exclusive.*) €400
