

Glen Garioch Virgin Oak

48%

The Aberdeenshire distillery of Glen Garioch has released its first ever virgin oak-matured expression, which has employed heavily charred American oak barrels. According to master blender Rachel Barrie, "Glen Garioch's intense flavor means it holds up well in a new fill cask." Ripe peaches on the nose, spicy oak, vanilla, and more soft, floral notes in time. Malt, milk chocolate, nectarines, nougat, and mild cloves on the palate, while the finish is medium in length, with ginger and lively oak.
