

## **Auchentoshan Virgin**

### **Oak**

**46%**

Morrison Bowmore distillers has recently released a virgin oak-matured expression of its Auchentoshan single malt, which has no age statement. The North American oak casks have been charred prior to receiving this Lowland whisky as their first fillings. The result is a nose of Madeira, cinnamon, vanilla, and white pepper. Very spicy on the palate, with citrus fruits and plain chocolate. Lingering in the finish, with cocoa powder, icing sugar; becoming slightly more bitter with time.
