

Compass Box Delilah's

40%

A special bottling in recognition of Chicago's outstanding alternative rock venue Delilah's, and like that venue this is full of character, color, grit, and determination. It's sweet but never cloying, soft and honeyed but gutsy, and there are peppermint, licorice, and fresh hay notes in the mix, too. It's spent time in bourbon wood and that shows. A departure for Compass Box, but a healthy one.
