

Hancock's President's Reserve

44.45%

Nose is thin and sweet, smelling of popped corn and a bit of oak and vanilla. Mellow and smooth in the mouth, with warm corn and corn syrup notes, more oak and vanilla, but nothing overpoweringly sweet; good balance. Some oak in the finish, a slight curl on the tongue that's not unpleasant. "Single Barrel," but no barrel number given. Sourced whiskey.

—Vol. 22, #4
