

George T. Stagg

64.1%

Less alcohol than past Staggs, even at 128.2° proof. This whiskey has always been one of the best in the portfolio, and its reputation is intact. Sweeter and fuller in body than recent releases, and not as masculine, making it easier to drink. (Don't worry; it's still a big Stagg, but with a smaller "rack.")

Vanilla taffy, nougat, dates, polished oak, roasted nuts, leather, and tobacco: it's all there. Buffalo Trace Antique Collection 2013.

—Vol. 22, #4
