

**Cody Road Bourbon
(Batch 8)**

45%

"Aged less than 4 years." Sharp new oak (this is 30-gallon barrel aged), with hot cinnamon and sugar in the nose. Dry, and a bit hot up front, but its wheat comes through in a smoother, sweeter middle and a gentle, warm finish where corn finally appears. No real flaws here; it could be better integrated, but it has a rough appeal.
