

**Cody Road Rye (Batch 5)** 

**40%**

A 100% rye whiskey, made from rye grown about 30 miles from Mississippi River Distilling.

Strongly spicy and oily rye character reaching out of the glass and grabbing my nose; some surprising pastry and molasses notes hiding in there. The 40% mildness is disappointing at first, but develops into a spicy, minty mouth-filler with a cleanly sweet finish. On the sweet side, would prefer it drier.
